- **Description**

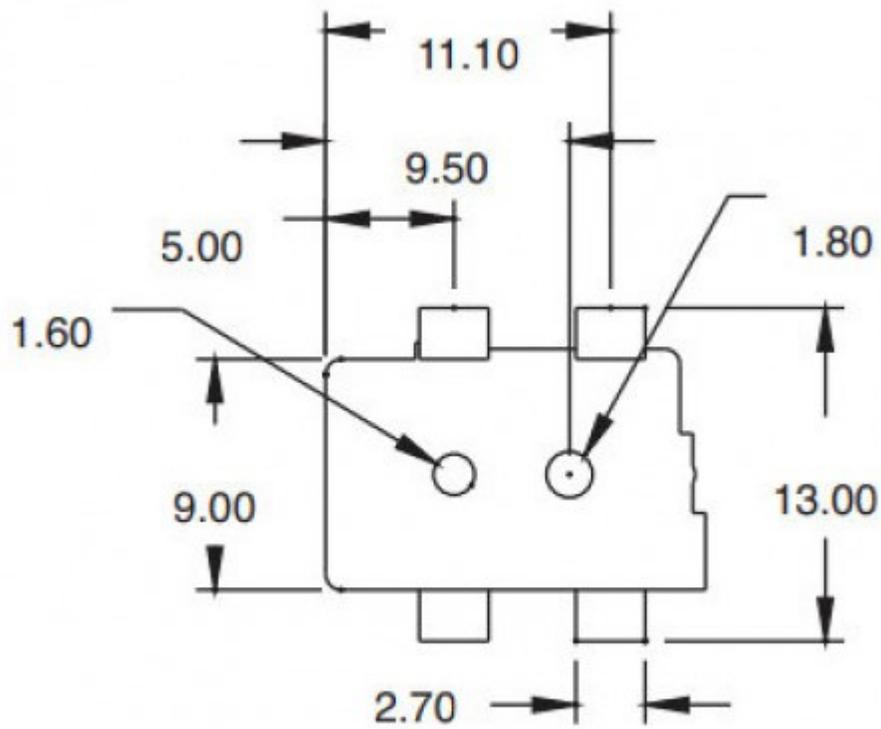

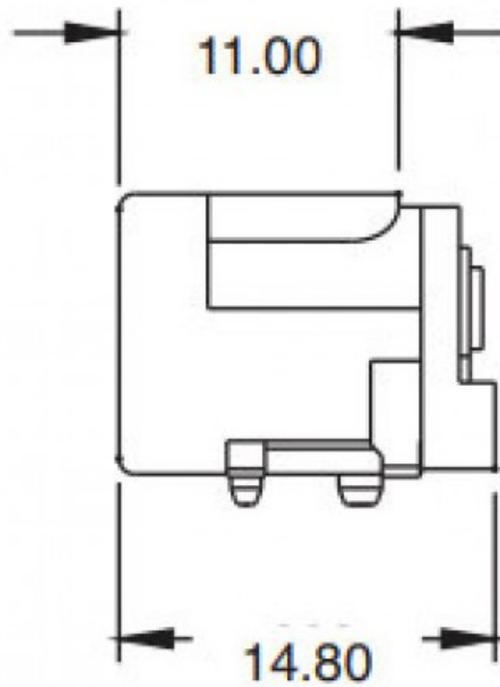

DC Barrel Power Jack, Female, SMD, 2155 Standard, 4 Pack

This DC Barrel connector is based on the 2155 standard 2.1mm center pole and 5.5mm outer diameter. This connector size is similar as the DC connector on the Arduino UNO. Please note this connector is SMD (Surface Mount) .

Quick Spec

- Power Standard: 2155
- Inner Center Size: 2.1mm
- Outer Size : 5.5mm
- Type: SMD
- Compatible : Arduino UNO connector
