

Tin Plated Wire Breadboard PCB Solder Cable 24AWG Fly Jumper Wire Cable Tin Conductor
Wires 1007 24AWG Wire Connector

Item specifics

- Conductor Type :Solid
- Conductor Material :Aluminum
- Application :Underground
- Type :Insulated
- Insulation Material :PVC
- is_customized :Yes
- Model Number :24 awg Tin-Plated Breadboard Jumper Cable Wire
- Keyword :heating cable
- keyword 1:jumper wire
- keyword 2 :wire cable
- keyword 3 :teflon insulation wire
- keyword 4 :jumper electronics
- keyword 5 :wire electronic
- keyword 6 :carbon cable
- keyword 7 :dupont wire
- keyword 8 :wire set
- keyword 9 :24 awg wire

Product Description

- Color: black & red & blue & green & White
- Used for: welding
